- The legal situation is to be checked when using pictures containing registered trademarks, items and buildings for commercial purposes. In this case you yourself are responsible for negotiating the respective publication rights with the owners.

Please also note no. 2 „Right of Use“ of our Delivery and Payment Terms (cf. below).

Delivery and Payment Terms:

2. Right of Use: By paying the purchase price you are granted the royalty-free right to use the images supplied for an unlimited period time and for an unlimited number of press runs.

The following restrictions apply in this connection: The pictures may not be marketed or sold by the purchaser acting in the capacity of a photo agency, nor may they be marketed or sold to picture archives, image databases or photo agencies for the purpose of commercial use. The user shall be held liable for any and all resulting damage or loss which can be proved by Kessler-Medien. Making copies of the CD-ROMs and the picture pages whether digital, printed, photographic or otherwise is prohibited. Rendering photographs with individuals which depict them in a manner that is libelous, scandalous, misleading, embarrassing, unlawful, or associated with pornography or obscenity is also prohibited. Individuals may also not be associated with political parties or sects or their interests. Any violation of these restrictions shall be subject to a stipulated fine of Euro 5.000 for each occurrence. Apart from adhering to the above restrictions, the purchaser/user shall comply with the German Unfair Trade Practices and Restraints of Competition Act, the German Trademark Act, and the German Utility Model Act. The purchaser/user shall be solely liable for any violation of these laws by virtue of using the images.

4. Exclusion of Liability: Kessler-Medien shall assume no liability for any damage or loss incurred by the use of the CD-ROM. In particular, in no event will Kessler-Medien be liable for any damages whatsoever including - but not restricted to - personal injury, property damage or financial loss including lost revenue or profits or other direct, indirect, special, incidental, cover, or consequential damages arising out of the use of the CD-ROM, even if advised of the possibility of such damages. Kessler-Medien makes no warranty or representation, either expressed or implied, with respect to the items supplied, including their merchantability or fitness for a particular purpose. Any liability shall be limited to the amount of the invoiced value of the items supplied.
